

WOODS FOUNDATION APPLICATION

The Woods Foundation is accepting applications for funding for the 2024 grant cycle. Projects must have as their core focus improving the healthcare status of McMinn County citizens. The range of grant awards this year can be a minimum of five thousand dollars and a maximum of ten thousand dollars. Organizations requesting funding that have a 501c3 designation or operate under a religious tax-free designation may receive preference. Recipients of funding must provide a year end report on the impact of the program. Special interest may be given to projects that address the areas of mental health access, obesity and substance abuse, as identified in the most recent McMinn County Health Improvement Plan.

Name of the Organization: _____

Contact Person (print): _____

Email and phone number: _____

Amount of Request: _____

Project Description: _____

What changes in behavior, health outcomes, or other indications would you expect to observe in McMinn County if your project is funded?

By what numerical or qualitative criteria would the project/program be considered successful?

List other funding sources for the project:

Please feel free to attach any other information you want the committee to consider. Applications are due by 3:00 p.m., January 31, 2024, in the Office of the County Mayor, 6 East Madison Ave., Athens, TN 37303
